

Carpe Diem Field

34 Saxon Street
Franklin, MA 02038

When you come to visit...

We want our facility to last a long time and we need your cooperation to make that possible. Please observe our **simple, important rules** when you come to Carpe Diem Field:

1. **Before leaving home**, wear a different pair of "outdoor" shoes than the pair you intend to wear inside Carpe Diem Field. Turf shoes, sneakers, or cleats are appropriate inside our facility.
2. **Parking**: Visitors should park on the Saxon Street side of the building or on the back side of the building, away from Cottage Street. **Do not** park in S.C. Rossi's Automotive Services or Aubuchon Hardware spaces during business hours (before 6pm).
3. Enter the building through the Saxon Street entrance and follow the yellow-marked pathway to the field.
4. **Before entering the field**, change your shoes and leave your "outdoor" shoes outside the field. Leave coats and jackets outside the field turf.
5. **Water only** on the field turf surface. **Do not** bring specialty drinks (e.g. Gatorade) or food onto the field turf.
6. There is a little room along the edges of the field for viewing. All are welcome, but adults are responsible for young, non-players on the sidelines.
